

How to Obtain your International Driving Record for GIG Car Share

- Please note, the following information is intended to assist you in obtaining your driving record and is by no means a definitive list of all available resources in your home country. All members must provide a valid driving history which will be assessed for eligibility of membership.
- All documents sent to us must be dated within the last 7 days.
- All documents sent to us must be in English. If your document is in another language, it must be translated into English.
- We will require a record that references any driving infractions or points in your driving history. If you have nothing on record, the document will need to state as such. If you have any infractions, the record needs to include the date and reason(s) for the infractions.
- Personal insurance records will not be accepted.
